## Turov Investment Group's Program D #1 in the USA for 2010

Theta Research (<http://www.thetaresearch.com/>) is known by all institutional investors as the premier monitoring site for all actively traded mutual fund programs in the United States. They monitor 142 Investment Advisors, each of which may have several Programs, and rank them continuously, based on performance. Please note this is “real money,” not a simulation. Not only was Turov Investment Group's Program D ranked #1 in 2010, but TIG's Program B was ranked #4. Here's the “official verdict” from Theta's website today:
